Anniversary of the breakthrough of the Thessaloniki front 15. September

SUBNOR OF SERBIA

→ The second pillar is the historical NO to fascism that the Serbian people said in 1941, and responded to the call of the CPY for the uprising. People took the rifle in their hands and set off in the fight against fascism and Nazism, suffered badly again, but in the end of four-year struggles they again aligned in the line of the victors in World War II on the side of the anti-fascist coalition.

→ The third pillar are fighters and heroes of wars of the 90s of those years which they defended the State to which they have taken the oath, their sufferings as well as unity of peoples, armies and states, fighters and heroes of resistance to NATO aggression in 1999 and their sufferings.
